Messenger Bags

Our student store will have messenger bags stocked and available for purchase.

As a courtesy, we would like to remind you that **only** messenger bags and small purses (8 1/2x11) are allowed on campus. The purpose of not allowing large purses, large bags, backpacks and tote bags is to ensure the safety of all students by keeping the aisles clear and not blocking any electrical outlets or cords. We have found that messenger bags are easier to slide into the side of student cubicles. Please refer to our website: www.desertviewmhs.com to view the student handbook in its entirety.

Please encourage your student not to bring large purses, large bags, backpacks or tote bags to school, as they will have to be left at the front desk and parents will be asked to come in and pick them up.

We appreciate your cooperation in this matter.

*No ~~backpacks~~ Purses, large handbags bags must be the size of an 8 1/2 X 11 piece of paper or smaller. Wooden pencils, sharpies, and markers are prohibited items at Desert View Middle & High School. Please refer to our Parent/Student Handbook on our school website for more information on prohibited items.
